

1 any success that the board has been responsible for, I  
2 think it is the fact that it has the composite structure  
3 which it is now composed of.

4 I think we should perpetuate this thing from  
5 the period of 1916 to the present time. I think it is an  
6 integral and essential part of the success. I think we  
7 should subject it in its entirety.

8 THE CHAIRMAN: Any delegate desire to speak in  
9 opposition to the amendment? Delegate Maurer.

10 DELEGATE MAURER: Mr. Chairman, I certainly  
11 agree as to the importance of the post of State superin-  
12 tendent of schools, but I would call the attention of this  
13 Committee to the Executive Branch Article, Section 4.21,  
14 and in the middle of that Article, referring to the  
15 governor, it says, acting alone, he shall appoint each  
16 chief administrative officer serving under a board or a  
17 commission, which is the head of a principal department,  
18 the Executive Branch, except the head or chief adminis-  
19 trative officer of an institution of higher education, or  
20 of the State public school system.

21 I believe that there is a protection for the
